Lakefield College School Co-Curricular Program Offerings 2021/22

“To challenge and enable students to reach their individual potential in mind, body and spirit.”

Students are required to participate in:

- at least one artistic program per school year;
- at least one athletic program per school year;
- programming at least four days of the week; and
- complete 20 hours of community service hours before graduation.

The list of co-curricular programs below is reflective of the Co-Curricular Programs offered during the 2021/22 school year. We will continue to monitor Covid-19 recommendations and guidelines.
